

Program

Grey-marked lines will be recorded and broadcasted for virtual participants.

Monday, 3 July 2023

- 8:30 – 9:15 Welcome Address by the Director General & Chief Executive of Lantmäteriet, Susanne Ås Sivborg
- Welcome Address by the Head of the Reference Frame Function of Lantmäteriet, Per-Anders Olsson
- Practical Information from your Local Organizers by Holger Steffen
- Introduction to the 2023 GIA Training School by Terry Wilson
- Focusing Workshop Objectives (Post-It Activity) by Terry Wilson
- Remarks on the Following Coffee Break by Holger Steffen
- 9:15 – 9:20 Group picture outside near the entrance
- 9:20 – 10:00 Coffee and Tea Break ☕ and Post-It Activity
- 10:00 – 11:00 Introduction of Participants
- 11:00 – 12:00 Martin Ekman: “History of Land Uplift Research”
- 12:00 – 13:00 Lunch Break 🍴
- 13:00 – 13:55 Glenn Milne: “Introduction to Glacial Isostatic Adjustment – Part 1”
- 13:55 – 14:00 Washroom Break
- 14:00 – 15:00 Glenn Milne: “Introduction to Glacial Isostatic Adjustment – Part 2”
- 15:00 – 15:30 Coffee and Tea Break ☕
- 15:30 – 16:25 Nicole Khan: “Sea Level Indicators”
- 16:25 – 16:30 Washroom Break
- 16:30 – 17:30 Mirko Scheinert: “Modern Observations of Glacial Isostatic Adjustment”
- 17:30 – 19:00 Student Poster Presentations
- 19:00 – 21:00 Icebreaker 🍴 at *Restaurang Kompassen*

Tuesday, 4 July 2023

- 8:30 – 10:00 Giorgio Spada: “ID GIA Modelling”
- 10:00 – 10:30 Coffee and Tea Break ☕
- 10:30 – 12:00 ID GIA Modelling – Exercises (Giorgio Spada)

12:00 – 13:00	Lunch Break 🍴
13:00 – 13:55	Rebekka Steffen: “Glacially Triggered Faulting”
13:55 – 14:00	Washroom Break
14:00 – 15:00	Lambert Caron: “Earth Rheology”
15:00 – 15:30	Coffee and Tea Break ☕
15:30 – 16:25	Volker Klemann: “Impact of 3D Earth Structure on GIA”
16:25 – 16:30	Washroom Break
16:30 – 17:45	Andrew Lloyd: “How GIA Observations Sense Earth Structure and Ice History: Exercise – Part I”
17:45 – 19:00	<i>Place is open for continued work</i>

Wednesday, 5 July 2023

8:30 – 10:00	Torsten Albrecht: “Ice Sheet Modelling”
10:00 – 10:30	Coffee and Tea Break ☕
10:30 – 12:00	Ice Sheet Modelling – Exercises (Torsten Albrecht)
12:00 – 13:00	Lunch Break 🍴
13:00 – 13:55	Mike Bentley: “Ice Sheet Constraints from Geomorphology and Geology”
13:55 – 14:00	Washroom Break
14:00 – 15:00	Anne Le Brocq: “Ice Sheet Boundary Conditions and Bed Processes”
15:00 – 15:30	Coffee and Tea Break ☕
15:30 – 16:25	Christopher Piecuch: “Statistics and Uncertainties of Models and Observations”
16:25 – 16:30	Washroom Break
16:30 – 17:45	Andrew Lloyd: “How GIA Observations Sense Earth Structure and Ice History: Exercise – Part II”
17:45 – 19:00	<i>Place is open for continued work</i>

Thursday, 6 July 2023

8:30 – 19:00	Field Trip, <i>tentative schedule on page 10</i>
8:30	Departure of Bus at Lantmäteriet!
19:00 – 22:00	Training School Dinner 🍴 at Skärgårdskrogen in Utvalnäs

Friday, 7 July 2023

9:00 – 9:30	Terry Wilson: “Antarctica: GIA on a Complex Geologic Template”
9:30 – 10:00	Coffee and Tea Break ☕
10:00 – 10:55	Andrew Lloyd: “Imaging and Inferences of 3D Earth Structure (Antarctica)”
10:55 – 11:00	Washroom Break
11:00 – 12:00	Natalya Gomez: “Coupled Ice-Solid Earth Modelling (Antarctica)”
12:00 – 13:00	Lunch Break 🍴
13:00 – 13:55	Torsten Albrecht: “Coupled Ice-Ocean Modelling (Antarctica)”
13:55 – 14:00	Washroom Break
14:00 – 15:00	Jacky Austermann: “Sea Level for Society – Opportunities and Challenges in Coproducing Knowledge with Local Communities”
15:00 – 15:30	Coffee and Tea Break ☕
15:30 – 16:30	Wrap-Up Post-It Activity (Terry Wilson and Andrew Lloyd)
16:30 – 17:30	School Evaluation. Feedback, Misc. and Closing Remarks (Terry Wilson and Andrew Lloyd)
18:30 –	Farewell Dinner at <i>Mackmyra Whiskyby</i> in Gävle (not mandatory, on own costs)
